DETAILED ACTION

Receipt is acknowledged of the amendment, on 12/6/2005, which has been entered in the file. Claims 1 and 3-28 are pending.

Allowable Subject Matter

1. Claims 1 and 3-28 have been allowed over the prior art of record.
2. The following is an examiner's statement of reasons for allowance: The prior art of record, taken alone or in combination, fails to teach or fairly suggest: the empty envelope holding container is accessible in the upper cabinet portion and the deposit holding container is positioned in the secure chest portion; in combination with the other claimed limitations as recited in the claims.

Without the benefit of applicant's teachings, there is no motivation for one of ordinary skill in the art at the time of the invention to modify or combine the prior art of record in a manner so as to create the claimed invention.
